CANCELLATION OF EMERs

Note: When destroying the EMERs listed below ensure, by carefully checking the issue date, that they are not the new series of EMERs bearing these numbers.

SUMMARY

1. This instruction covers the cancellation of previous EMERs on this equipment.

DETAIL

2. The information contained in the EMERs listed below, together with that formerly in Tels Y 800 - 809, has been incorporated in a new series, covering all valve testers, entitled Testers, valve, Avo and re-using the numbers made available by this cancellation, viz Tels Y 610 - 619. The following EMERs are therefore cancelled and all copies will be destroyed. Extreme care should be taken in accordance with the note above.
