

237

RECEPTION SET R 206, MK.I

Note. This issue, pages 1 and 2, supersedes pages 1 and 2 of Issue 1.

SUMMARY

1. This instruction covers the cancellation of a previous modification instruction affecting this equipment.

DETAIL

2. As a result of a review of Modification Instructions concerning this equipment it has been decided that the following E.M.E.R. will be cancelled and all copies destroyed.

E.M.E.R. Designation	Issue No.	Issue Date	Subject
Tels. E 287 Mod. Inst. No.1	1	12/5/45	The spare aerial and earth terminal plate carried inside the P.S.U. will be secured by means of a pillar screwed to the mains transformer cover.

3. Equipments already modified will not be restored to their previous condition but no other equipments will be modified.

4. Units in receipt of stores to effect any of the above modifications but have not incorporated them, will return them to C.R.D., Woolwich.

DME Encl. 1 to 57/Maint./1650 (ME8)
